Organization and Leadership Activities

Please list, in order of importance to you, your current participation in political, community, professional, social, religious and other activities. Please include positions of leadership where applicable, your area of interest in the group and years of participation.

Briefly state what you would consider to be your most important contributions to the above organizations.

Personal Statements

Statement One: Articulate your personal goals including the role political participation plays in your pursuit of these goals. What outcomes do you hope for as a result of your participation in the KDP Political Fellowship?

Statement two: Discuss highlights of recent leadership responsibilities and achievements. What were the greatest challenges you faced and what steps did you take to overcome them? How did facing these challenges contribute to your success?

Statement three: Describe a public policy issue that you believe needs to be addressed in Kansas and explain why that issue is important.

Letters of Recommendation

Please provide two letters of recommendations from individuals able to evaluate your leadership and commitment to the state of Kansas. Letters of recommendation should describe the applicant's potential as a leader in Kansas, as well as their ability to enable others to succeed.

Letters of recommendation should be sent directly from the author. Letters of recommendation should be emailed to: fellows@kansasdems.org

Or mailed directly to:
