

**Kansas Democrats will not use a Presidential Preference Caucus in 2020
and will use a primary system with rank-choice voting for the
2020 Delegate Selection Process.**

- Presidential candidates file with the Kansas Democratic Party by February 17, 2020.
- A mailing will be sent to every registered Democrat in Kansas on March 9, 2020 explaining how to cast a ballot by absentee/advance ballot and in-person voting.
- Information will be made available on the state party website, Facebook page, and via email beginning March 9, 2020.
- Absentee/advance ballots will be mailed to recipients starting March 30, 2020 and must be postmarked by April 24, 2020 in order to be counted.
- Primary Day Voting Centers will be open from 10:00 a.m. to 2:00 p.m. on Saturday, May 2 for in-person voting in all 40 Senate Districts with exact locations to be determined.
- Each Voting Center will process same-day registration and changes in party affiliation. Voting Centers will use paper ballots and be staffed by trained volunteers working with local Democratic Party leadership at each location.
- Additional communities and exact locations must be approved by the KDP Executive Committee by January 1, 2020.
- Results of absentee/advance voting and in-person voting will be made publicly available no later than 11:00 PM, May 2, 2020, on the Kansas Democratic Party website.
- Each Senate District will hold a Senate District Caucus on May 9, 2020 to elect District-level delegates representing the Senate District unit to the 2020 Kansas Democratic Party Congressional District Convention on May 16, 2020. The Congressional District-level Delegates will represent Kansas at the DNC Convention.
- Kansas Democratic Party State Convention will be held in Topeka on Saturday, June 6, 2020. National Delegates will be apportioned based on the results of the May 2 Party-Run Primary. Remaining delegates (Pledged Party Leader and Elected Officials, At-Large, and Alternates) will be elected at the State Convention to be Delegates to the DNC Convention.
